

ANNOUNCEMENT

Three people were arrested on suspicion of burglary in at the Bamboo/Bison area of Eastbluff on Friday, November 4. Read blow-by-blow details on www.Nextdoor.com.

While we hope this puts an end to the rash of break-ins in the neighborhood, we should continue to be vigilant and practice the recommendations below.

Please share all this with your friends & neighbors!

Eastbluff Neighborhood Watch Committee

Par Puich — RPuich@sbcglobal.net Sharon Esterley — esterley@aol.com

THINGS TO DO NOW

Program NBPD into your phone! 949-644-3717

This is the police dispatch officer, NOT a recording.

Sign up for NIXLE.com to receive alerts from your Newport Beach Police Department. Simply text your ZIP CODE to 888777 for mobile alerts on your smart phone, email or tablet!

Sign up on www.Eastbluff.net for information & advisories from our HOA.

Sign up for www.nextdoor.com to communicate directly with your neighbors.

Request a Vacation Check from NBPD when you go out of town. 949-644-3699

Free Home Security Inspection contact the Crime Prevention Specialist at 949-644-3699.

Holidays are coming - Stop package & mail theft!

Always track your package deliveries so that you know when they are estimated to arrive at your home. Register at USPS.com, UPS.com, FedEx.com. Make sure that someone is home to receive the delivery or that a trusted neighbor is available to receive the package on your behalf.

Never leave your deliveries unattended on your front porch.

Always require a signature when having items delivered.

For MORE information, go to www.NBPD.org and/or www.Eastbluff.net Neighborhood Watch

Eastbluff has been the target of 4 residential burglaries in October, all occurring during daylight hours. This is unusual, and likely the work of the same person(s) who have realized our homes are easy targets. Because crime has not been a big issue here for years, our Neighborhood Watch program has not been a high priority. It's time for that to change, and for us to let the bad guys know they're not welcome here. (PS – same with coyotes)

Thirty-six of our neighbors attended the Neighborhood Watch meeting on November 1, and heard presentations by Newport Beach Police Department Crime Prevention Specialist Andi Querry, our district Area Commander Lt. Steve Rasmussen and Det. Jennifer Kresge. The following documents were distributed and discussed.

This information is also available on the NBPD website at www,nbpd.com and on our Eastbluff HOA website at www.Eastbluff.net.

Neighborhood Watch Meeting Notes November 1, 2016

All attendees at the meeting were asked to share this information with their neighbors.

What are the police doing to stop crime in Eastbluff?

- Crime has actually declined in Newport in recent years. These thefts are unusual & police are determined to catch the criminals.
- Marked & unmarked police cars are patrolling Eastbluff streets regularly, especially mid-day when the recent thefts occurred.
- Descriptions of the thieves & their vehicles have been sent via NIXLE to all registered area homeowners in addition to the usual police communications.
- Residential Video footage is being reviewed.
- Fingerprints were recovered at one scene & are being processed.
- NBPD participated in Neighborhood Watch information meeting to advise residents of how to identify and report suspicious behavior.

What are residents' responsibilities to stop crime?

- We are partners with the police. They can't be here 24/7 & we are. We have to be the eyes & ears to know what's normal & what's not. BE AWARE of what's going on in the 'hood.
- REPORT to NBPD any activity that seems suspicious, even if you're not sure. They will respond & investigate. Don't feel bad for reporting, even if it turns out to be your teenage neighbor's girlfriend.
- Secure your own personal home & vehicle(s).
- Get to know your neighbors at least 3 houses in each direction & across the street. Exchange contact information & let them know when you'll be out of town to keep an eye on your home.
- Be aware of your neighbors' identities, vehicles, habits, schedules, etc. so you can recognize when something in suspicious or unusual.
- Become aware of what it suspicious behavior search "suspicious behavior " on www.nbpd.org

- Say Hello to everyone! It's a good way to get to know your neighbors & puts a stranger on notice that you're aware of his/her presence.
- SHARE these tips with everyone you know!

These are the top tips given by NBPD to protect your home and vehicles from theft:

- Always answer your door & inquire for identity before opening. Thieves look for unoccupied homes. Use peephole or doorbell camera to see who's there.
- LOCK ALL doors & windows, even if leaving for only a few minutes.
- INSTALL secondary locks on doors & windows. Use double cylinder deadbolts (keys needed on both sides) on doors with glass & don't leave key in the lock. Thieves can break the glass & reach in to unlock the door.
- LOCK doggie doors.
- An alarm system is recommended
 - All points of entry
 - Motion sensor
 - Glass break sensor
 - Exterior cameras are good, especially if they capture license plates.
- SET your alarm if you have one EVERY TIME you're away from home AND at night.
- LOCK your car & don't leave valuables in them.
- PARK your car INSIDE the garage if possible, locked.
- LOCK your garage door. There's a lock button on the door opener on your wall. Hold it down for 10 seconds to deactivate remote control reception.
- LOCK the door between your garage & house.
- INSTALL and USE gate locks & keep them locked. Thieves enter through aside gates to break into the back of homes.
- INSTALL and USE motion sensor lighting on all sides of your home: front, back & sides.
- USE TIMERS on lamps, TV, stereo when not home.
- KEEP VALUABLES out of sight. Garden tools, bikes, sports equipment, etc. are tempting targets.

See these tips & more at www.nbpd.org

Search these keywords online to find the following home security products:

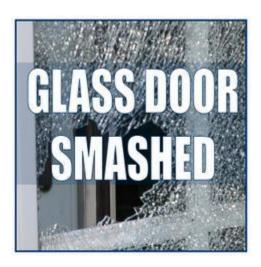

- Doorbell camera lets you see who's at the door before you open it
- Garage/Pathway Motion Detector alerts you when someone enters
- Wireless Security Cameras smartphone compatible allows remote viewing of images
- TV Light Simulator looks like the TV is on & someone is home

WARNING

WE IMMEDIATELY REPORTALL SUSPICIOUS ACTIVITY TO THE POLICE!

Advisory: CRIME ALERT - RESIDENTIAL BURGLARY ON BELLIS IN RD36

Please call Police Dispatch at 949-644-3717 if you see a suspicious vehicle or activity in your neighborhood.

This is the forth burglary within the Eastbluff neighborhood over the past three weeks. The previous burglaries are listed below along with suspect information.

800 BLOCK OF BELLIS ST (16-9675)

Occurred on: 10/31/2016 between 11:08 a.m. and 12:05 p.m.

While the victim was away for just under an hour, an unknown suspect forced open a downstairs window screen and climbed into the victim's home. Once inside, the suspect rummaged through drawers and cabinets in several rooms including the kitchen before fleeing.

When the victim returned home, she was able to see through the glass in the front door, that her living room windows were open and the screen was inside. She immediately left the residence and called police.

When officers arrived they cleared the home and verified that the suspect had fled. While searching the home, officers discovered a strong smelling orange substance on the lower kitchen cabinets and the sleeping area of the family dog. The substance, believed to be pepper spray was also found on the dog's fur.

Loss: Jewelry and a watch - (at the time of the report)

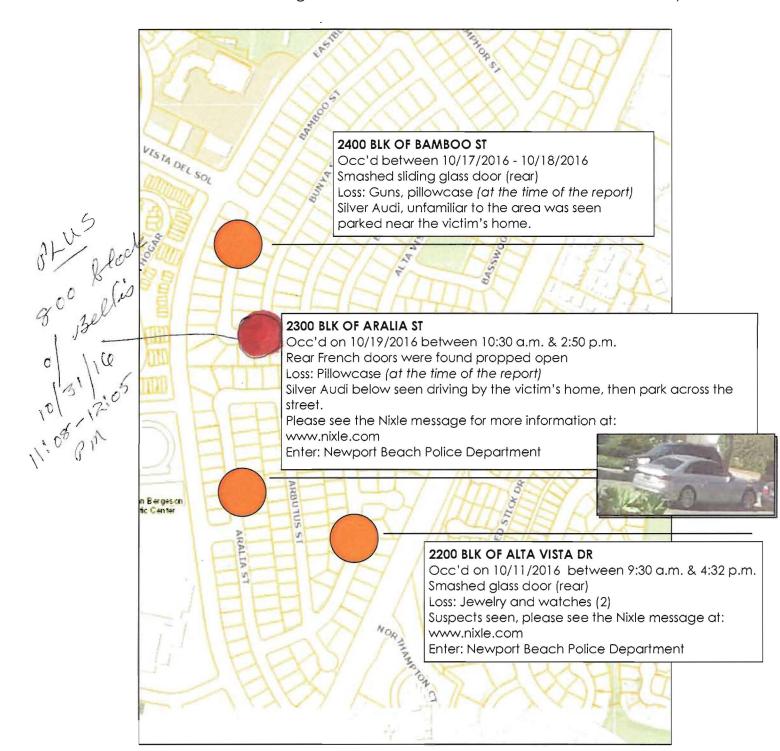

Suspect Information: None seen or heard.

NEWPORT BEACH POLICE DEPARTMENT CRIME MAP- NIXLE MESSAGE

Residential Burglaries - October 2016

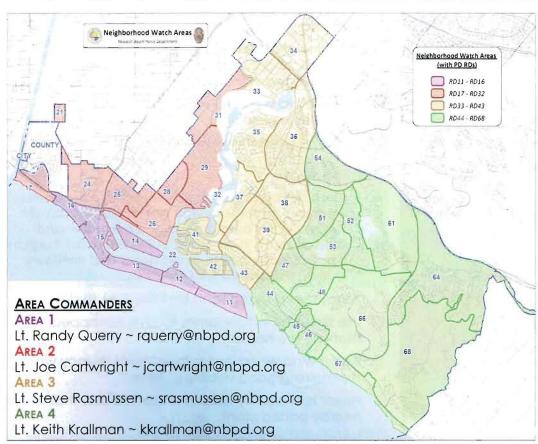

The map below shows the approximate locations of three recent residential burglaries that occurred within the Eastbluff Community.

Help Prevent Vehicle Crime!

- Lock and secure all doors and windows, even if you are away for only a few minutes.
- Lock and remove valuables even when you park your vehicle inside your garage.
- Always treat your garage door opener as if it were a key to your home and remove it from your vehicle, when not parking in your garage.
- Always park your vehicle in a well-lit area and if your vehicle has an alarm, activate it!

70% OF VEHICLES ARE LEFT UNLOCKED

When a Stranger Knocks

A knock at your door could be:

- A neighbor needing to borrow something
- A child selling cookies
- A solicitor, community organization, or a BURGLAR

Burglars look for empty homes and often check to see if you're home by knocking on the door.

What should you do if you get a knock at the door?

- Never <u>OPEN</u> the door unless you know the person.
- Install and use a peephole with a minimum 190 degree view.

- When you go to the door, have your phone nearby.
- Acknowledge you're home without opening the door!
- If the individual acts suspiciously, call the police department and provide them with a description of the subject and explain why you think their behavior is suspicious.

NONEMERGENCY 949-644-3717

Garage Burglary

Close the Door on Crime!

- Always close your garage door.
- Keep the pedestrian door locked.
- Lock your vehicle when you park in the garage.
- Lock your bike to a stationary object within your garage.
- Record your bike's serial number and have it licensed either at the police department or your local fire station (fee: \$2.00).

A bike license will help police to identify and return a recovered bike to its rightful owner.

HOME SECURITY TIPS:

- Always lock your windows and doors when you go out, even if for only a few minutes.
- All exterior doors should be locked using a deadbolt lock. The strike plate should be installed with at least two, three inch screws.
- All windows should be equipped with a secondary security lock.
- All sliding glass doors should be equipped with a secondary lock or have a wooden dowel placed in the track.

- If your house/apartment is equipped with an alarm, always activate it, even if you're only going out for a short walk.
 - Consider adding a motion sensor in your master bedroom/bathroom. The sensor would activate the alarm if a burglar smashed a window and then climbed in and then out of the hole. Burglars use this technique to avoid doors and windows that are equipped with sensors.
- Always keep porch lights on from dusk to dawn.
- Use timers on indoor lamps to give the appearance that you are home.
- Adjust window coverings for optimal privacy while maintaining good visibility outside.
- Never leave a key hidden under the doormat or in a nearby potted plant.
- Have packages delivered to a location where someone will be available to accept them so that they are not left unattended on your doorstep.
- Never leave mail, whether delivered or outgoing, in your mailbox overnight.
- Record the serial numbers of high-value electronics such as laptops, cameras, televisions and monitors and keep the list in a safe place.
- If you have a safe, make sure that it is properly secured with bolts so that it cannot be easily removed. Never leave your safe open, or a key or combination laying around.
- When you go out of town for several days, please call NBPD at 949-644-3681 and request a vacation check. Also ask a trusted neighbor to keep an eye on your residence and to contact police if they see suspicious activity.
